#### TIGERS WIN AND LOSE

St. Louis, May 30.—Both games of to-day's double-header proved to be a pitchers' battle, and Tigers and Browns split even. Detroit took the first game, 2 to 1, Covaleski allowing only one safe hit, a double by Walker in the fifth, which produced the only Tiger run. An error in the eighth won for St. Louis.

In the second game, Wellman allowed only three hits, not a Tiger reaching third. In the seventh Walker tripled and scored on Leary's fly to Crawford. Wares fanned, but was safe when Stanage missed the third strike. Main then threw wild trying to pick Wares off first, and he went to third. A squeeze play scored him. Scores:

## INTERCOLLEGIATE GAMES

ON SPIDERS' NEW FIELD The Varsity Club of Richmond College held its first annual banquet last night at Murphy's Hotel. The affair was unique of its kind and was pronounced by all a huge success and in direct keeping with the new spirit of progress and advancement that has sprung up within the past session at the college.

Among the many interesting facts that were brought out by the speakers of the occasion was the confirmation of the rumor that next year, some The Varsity Club of Richmond Col

tion of the rumor that next year, some tion of the rumor that next year, some time in February or March, the Southern intercollegelate track and field meet, that for the last seven years has been held on the Homewood Field of Johns Hopkins University, will be held out on the new athletic field enclosed by the stadium at Richmond College, at Westhampton.

This announcement is of tremendous importance to all who are intercolleged to the stadium at the stadium at

ous importance to all who are interested in Southern athletics and especially to men of Richmond and the local college. It is a very strong indication that not only the city of Richmond, but also its progressive college, in its new home just beyond the city is heaving recognized at the the city, is becoming recognized as the big athletic centre of the South. And it is not a very far cry to predict that within a very few years Richmond College will stand in the same relation to Southern athletics as Pennsylvania and Harvard occupy in the North.

#### Dolly Gray Gets Present

While Dolly Gray, the big and genial right fielder of the Colts, was busy out at Broad Street Park yesterday afternoon helping the locals defeat Petersburg, the stork was very busy at his home in Ladoga, Ind. After the afternoon's game Dolly was given a telegram, announcing the prival of a daughter. Last night he was about the proudest man in Richmond, and were it not for the fact that he realizes the value of his services to the club, he would have taken the first westbound train out of the city. It is highly probable that the visitor will be christened Dolly IL.

## CAROLINA LEAGUE

# MINThe WAKE of The GAME, Malbert .

Looking backward along the trail of the grandoldope, we find that here and there over the like we have passed the statistical dabblers, and now come to that point in the road where we can faithfully and truthfully induige in the success of Buck Herzer and his is the success of Buck Herzer and his to that point in the road where we can faithfully and truthfully indulge in an "I-told-you-so." Yesterday Athletics and Glants both edged to the front in their respective leagues. The Glants by dousing the Robins twice passed the Pirates, who were being handed a sizeable package by one of McGraw's own pupils, Buck Herzog, latest and youngest of Garry Hermann's employes. The Mackmen were not so fortunate, being forced to share their day's work with the Yankees, but, since Washington was accorded but, since Washington was accorded the same treatment in Boston, the White Elephants still lead the procession. It was Decoration Day in more ways than one, and since it marks forever and ever the tuening point in the 1914 career of the habitual pennant winners, the two Me's, it will be referred to oftener than once.

Which recalls that the Colts were successful in winning two games out of as many starts against the Goobers. It has been a long time, a woefully long period, since such an announcement could be made. But, in addition those same Colts were well on the way to another victory when the storm put to another victory when the storm put an end to hostilities. Two in a row is quite an achievement against Peters-burg, but had three been our portion—still there are other series.
